## School Organisation

Dear Parents / Guardians,

It's been absolutely wonderful having all of our students back on site this week, with the return of Years 3-6 on Tuesday signalling us being back at full-capacity on site! Whilst we need to have many safety measures in place with everyone back at school, it's been refreshing and comforting getting back to some normality. As we continue to navigate our return from COVID-19 and the associated restrictions, I've included our operational changes below (once again) for your information. It's always good to have a reminder!

### **COVID-19 CHANGES TO DAILY OPERATIONS – REPEATED FOR YOUR INFORMATION**

#### MORNINGS:

- No special arrangements are required. Students can be dropped off normally at the 5 entry points – Calder Highway gate off path, McInnes Street, rotunda / Office, between the administration building and Senior Unit and Multipurpose / art room. Ideally, the more children walking and riding to school, the better. The goal is to have as few adults as possible at the school. If your child is independent, please encourage them to walk to the school gate / entry alone. Drop offs are encouraged between 8:45am and 9:00am, when students can drop bags in classrooms and a teacher is on duty.
- Staff will be available before school to assist with escorting children inside – particularly useful if your child is nervous about walking in after such a long break away. If your child needs help going inside, knock on the external classroom door and wait for the teacher to invite your child inside.

#### GENERAL REMINDERS:

- No adults on site unless absolutely necessary. Staff and students only.
- If an adult needs to come on site, please do not enter buildings unless invited by a staff member.
- Staff will generally have doors locked to remind parents not to enter rooms. Please don't be offended... we enjoy working with you all, but have to follow our Department regulations, which are based on the latest health advice.
- Adults can visit the Office from the Pavillion in the loop carpark, but please follow social distancing and have no more than 2 families in the foyer at one time. We have a table set up with a bell in the foyer – please do not approach the normal counter, due to proximity of students and staff in the first aid area. To make it clearer, we have new signage to assist you in where to stand etc.
- All students on site need a drink bottle sent from home each day. We no longer have bubble taps to drink from – each have been turned into a handwashing station as per guidance from *THE DEPARTMENT OF EDUCATION AND TRAINING*. If your child happens to forget their bottle on a given day, bottled water will be provided.
- Hand sanitiser is provided, as is soap... however, your child might find it comforting to have their own hand sanitiser. A great spot to keep it is in the lunchbox. We will ensure all children wash their hands thoroughly before and after class sessions, before eating and after using the toilet. Please keep enforcing good hand hygiene at home to make the transition to school easier each day.

- The canteen will reopen tomorrow, Friday, 12<sup>th</sup> June.
- We don't need staggered play times as our school has an average size population and large outdoor areas to spread out and play. Generally, our children play well-spaced around the grounds, with two distinct playgrounds for different age groups, the Tiger Turf used predominantly by older students, sandpit more by younger students etc. If staff feel there is a large concentration of students in an area, they will disperse the students. Playgrounds are also sanitised throughout the day... and hands are washed before re-entering classrooms.
- Entry into classrooms is through external doors. Side double doors in the First Steps / Junior and Senior Unit buildings will remain locked to discourage mingling of students from different year levels entering. Entry for Middle Unit classes is straightforward, with one obvious entry point for each room. All Senior Unit classes will enter and exit from their external doors from now on – with no entry to the Senior Unit through the double doors between classes. Staff may also encourage students from particular Units to exit from different entry points – eg: Senior Unit might leave via the stairs near the Art room, Middle Unit from the stairs near the Staffroom (unless leaving via the bottom gate of course).
- Our Before and After School Care program (OSHC service) is operating normally. To book in, please email [dean.janet.j@edumail.vic.gov.au](mailto:dean.janet.j@edumail.vic.gov.au) to secure your place. When approaching OSHC, signage is provided on how to sign your child in / out each visit.
- If your child is unwell with cold or flu-like symptoms, please do not send them to school. In situations where you and your children are feeling unwell, getting tested as a precaution is a good idea. We cannot have unwell children on site during current times – the health of our students and staff is priority.
- When waiting outside the school grounds, please maintain social distancing from other adults. There is still a risk of fines for adults who do not social distance, so please don't risk a hefty fine whilst waiting. Children do not have to social distance at school.

#### AFTERNOONS:

- Due to crowding associated with our normal end of day, children in Prep & Year 1/2 will be dismissed at 3:05pm. If you have children in these year levels, please be ready to pick them up and depart immediately to make space for the dismissal of Year 3 – 6's at 3:15pm. Older siblings of students in Prep & Year 1/2 will also be dismissed at the earlier time.
- To ensure that the Ravenswood bus does not get delayed, we anticipate it leaving the school at 3:05pm also. This might mean that Brendan arrives at bus stops earlier in the afternoon... however, he will not leave children unattended... and will wait until the normal time for parents to collect children.
- Staff will be on duty in the yard to help direct children to the exit points – or escort them / help them find their parents.
- Years 3 – 6 will be dismissed at 3:15pm. By this time, all Prep & Year 1/2 children and their families should have departed. We encourage our older, more mature students to walk and ride home OR walk to their family car. The Kangaroo Flat bus will continue to operate at the usual time of 3:25pm. Younger children using this service will remain with their class teacher from 3:05pm – 3:15pm, along with children waiting for parents or to attend OSHC.
- No children are to remain in the yard and play after school. Again – children are to leave the grounds and make contact with their parent / carer before travelling home.
- If you are running late, please ring the Office so that we can have your child waiting at the pavilion. All children must be collected by 3:30pm – if you require longer time at school, please book into our OSHC service.

#### **A LETTER TO FAMILIES FROM THE SECRETARY OF EDUCATION, JENNY ATTA**

Dear Parents and Carers,

Term 2 in 2020 has been like no other school term in Victoria's history, and so I am writing to thank you for your support. As you know, this week Year 3 to Year 10 students joined Prep to Year 2, VCE and specialist school students in face to face learning. It is great to see our school communities come together again. In responding to the coronavirus (COVID-19) pandemic over the past few months, the Department of Education and Training has asked a lot of our teachers and schools, and we have also required your support as parents and carers.

I want to acknowledge the extraordinary effort you have all made in working in partnership with your teachers and schools to support your children while they have been learning from home. When I wrote to you a few months ago as we transitioned to remote and flexible learning, I acknowledged that it would be a challenging time for everyone, but that it was important to work closely together to provide the best possible support for students. Many of you have since told me that there have been difficult, rewarding and challenging experiences during this unique and uncertain time that we have been through together. I thank you for your support, commitment, patience and perseverance. But despite difficulties, I've been impressed to hear inspiring stories of education innovation.

The innovative and creative approaches adopted during remote and flexible learning have been outstanding, and many schools will bring new approaches with them to on site schooling. Many school communities have forged even stronger relationships and partnerships — with families and teachers gaining a greater mutual appreciation of their shared contributions to school education. Our schools now have a range of precautionary measures to protect the health and safety of your children, your family, teachers and staff, and your local community. I hope these measures, along with the knowledge that the Victorian Chief Health Officer and Victorian Government have approached the return to on site schooling with the utmost precaution and careful planning, have helped ease any anxiety about the return to on site schooling. The changes at your school are consistent with health advice, including enhanced cleaning in schools and frequent handwashing. Your school has also asked you to practice physical distancing during drop-off and pick-up times. Your children may be feeling anxious about returning to school. Reassure your child that it's safe for them to go back to school and reinforce what they've been practicing at home around hand hygiene and coughing and sneezing. Reassure them that extensive cleaning is carried out in schools and public transport to keep them safe. Please remember health advice: if you or your child is unwell, please stay at home. This is vital to ensuring the effective management of the pandemic.

Information about how to speak to your child about coronavirus (COVID-19) can be found here:

<https://www.education.vic.gov.au/parents/Pages/talkingtoyourchildaboutcoronavirus.aspx>

Visit the Department's website for the latest information about coronavirus (COVID-19) at:

<https://www.education.vic.gov.au/about/department/Pages/coronavirus.aspx>

Thank you once again for working with your schools to support your children while they were learning at home and for your patience during the staged return to on-site schooling.

Yours sincerely,

**Jenny Atta**

Secretary Department

### **WEEK 10 & 11**

Two weeks of close to normal school to go in Term 2! Whilst we have our whole Prep – Year 6's on site, we will also continue to have no assemblies, awards presentations etc due to restrictions. We do want some of the usual things to happen of course too... so pizza day will go ahead, as will the awarding of Student Awards to students – these will be announced in the final newsletter of Term and students will have their photo taken for our Facebook and website. Apologies – but no adults in attendance for these awards in Term 2.

### **UNWELL?**

If your child is unwell, you are unwell etc please act accordingly and get tested. Please do not come on site until you have clearance – and your child is cleared as well. We want our school and OSHC program to continue servicing our community. This means we all need to be vigilant. If your child becomes unwell, we will call you to arrange pick up as soon as possible. On site attendance is made as safe as possible, but will outbreaks still occurring in Victoria, you can understand why we want children picked up straight away if they are feeling unwell. Whilst numbers of unwell are lowering across the country, there are still cases and outbreaks... and where outbreaks occur, many exposures occur... so to keep our children on site and staff on site safe... stay home if you are sick and be available to come on site if your child falls ill.

### **VISITS TO THE SCHOOL**

If you have to come on site, please follow social distancing rules to keep our staff safe. Parents, as outlined above, are not to be on site unless it's absolutely unavoidable. Visits to the Office need to be distanced and safe. Adults that need to escort a child into the school must not enter learning spaces.

### **CAMPS**

Whilst we have not been given advice that camps can't go ahead in Term 3, I suspect that they may not. At the present time, we are watching and waiting for more clarification... however, we have been told the last thing to return to normal schooling will be camps and excursions. We will make a decision by our June School Council meeting as to whether camps for Years 3/4 and 5/6 will go ahead.

### **ATTENDANCE**

As of Tuesday, 9<sup>th</sup> June, if your child is absent from school, please phone the Office before 9:30am, put in an absence message via Flexibuzz or text 0438 738 788 to alert us to your child's absence. It is a Department requirement that all absences are explained, so if we don't hear from you, we have to make contact.

### **SCHOOL COUNCIL**

The next meeting of School Council will be on Tuesday night – the 16<sup>th</sup> of June. We will run remotely again... with WebEx offered to dial in. Finance will run at 6:00pm, with the June meeting occurring at 6:30pm. Hoping all School Councillors can attend remotely – if not, please send your apology through by Tuesday morning. Materials for the meeting will be emailed out/sent home in the next few days. If you cannot dial in and prefer to come on site, this is possible. Please just let me know and I can arrange for you to participate in the meeting from the same room I am hosting from.

## **REPORTS – SEMESTER 1 – DATE CHANGE**

Semester 1 reports will now be sent home at the start of Term 2. More information will be provided about how these reports will look in future newsletters.

## **IPADS, SCHOOL RESOURCES ETC**

By now all loaned iPads, charger leads, school books (eg: Handwriting, spelling, maths), readers, diaries, pencil cases etc should have been returned to school. If you still have items at home, please return them ASAP.

## **NEWSLETTER – NOW PERMANENTLY DIGITAL**

Due to the current COVID-19 pandemic, we are reducing contact in many ways, including providing our newsletter in digital format instead of a paper version. From now on, newsletters will be uploaded to our school website, Facebook and Flexibuzz. Limited printed copies will still be available at the Office – just ask your child to pick one up to take home. Alternatively, email Janet Dean to set up a copy to be emailed to you. Whilst this is a safe approach, it's also a green choice, so we will remain with the current arrangements into the future.

## **CANTEEN OPEN!**

Tammy has worked hard to ensure we can open our canteen and bring a bit of normal back to our students. Tomorrow, canteen lunches will be available. Please ensure you have ordered and paid via Qkr or phoned order through to the Office with card payment... no cash orders sorry!

## **STAFFING**

Due to the ups and downs of COVID-19, our staff are no different to your child... and if unwell, they have to stay home and recover. This has seen several staff like Rhys, Cheryl and Janet remaining at home on particular days. We have some fantastic Casual Relief Teachers, so have been fortunate enough to have classes covered each day. As we head through the next two weeks, you might find there are further absences, so please be understanding of this as a precautionary approach to the pandemic. Kate Dole is working remotely also – so can be contacted via email... however, her classroom is being taught by Leisha Morrison until the end of term.

## **COLD WEATHER – APPROPRIATE CLOTHING**

With the arrival of cold weather, comes a reminder to us all to dress for the weather. Children should be dressed in warm clothing, including a jumper/fleecy zip-up and perhaps a warm jacket. Beanies are also great for the cold mornings. Some children will say they aren't cold, however, please insist they wear warm clothes to school. Jumpers and windcheaters also must be school uniform... so please ensure your child has the correct warm top on each day and if not, send a note to your child's teacher excusing the OUT OF UNIFORM.

## **READING GOAL**

We still have a reading goal of 225 nights AND with reading being one of the most important things your child can do at home each day, why not aim for this goal? If they are behind, catch them up with extra sessions over the holidays and weekends. Honestly, it's the most fundamental skill of all... and children only get better at reading with extra practise provided at home.

## **ATTENDANCE**

Due to COVID-19, there will be no attendance awards for Term 2 and into the future, until things change for the better.

## **BIRTHDAYS**

Happy birthday to Liam W, Layla F, Atila M & Connor S.

With only two weeks to go, we are approaching the end of one of the most challenging and interesting school terms ever! Here's hoping you might have something nice planned for the break with your child/ren.

Kind regards,

*Matt Pearce, Principal*

## **FIRST STEPS NEWS**

### **HEAD LICE**

We have discovered a few cases of head lice in the First Steps unit and would like to request our families carefully check their children's hair for live head lice and eggs.

If head lice / eggs are discovered, your child will need to remain at home until treated and don't forget to retreat 7-10 days after.

### **STUDENT OF THE WEEK**

The First Steps unit have decided to wait until next term to begin celebrating our Student of the Week. As there is a book and shared toy involved we thought it would be safer to wait until they can use these as intended and be celebrated at our school assembly. Thank you for your understanding.

### **DRINK BOTTLES**

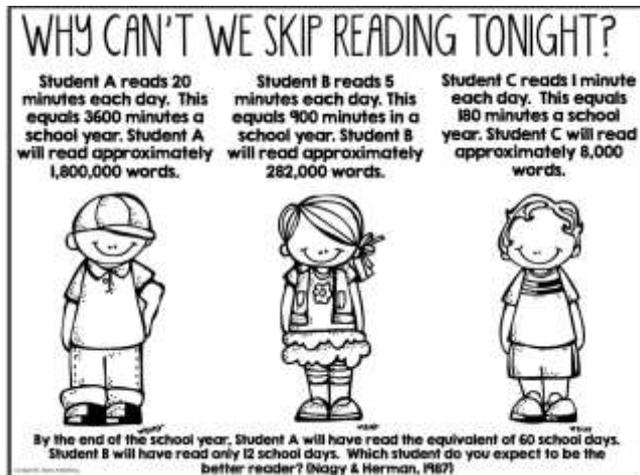

Just a reminder that our bubble taps are not available at the moment and your child will need a named drink bottle each day.

*Nicole, Jen, Pauline & Sharyn*

## JUNIOR UNIT NEWS

### HOME READING

Congratulations to our Junior Unit children who received their 100 and 125 nights of home reading awards since returning to face to face learning at school. We look forward to continuing to celebrate reading milestones with your child each week as they practise and progress in their home reading. Keep up the great home reading.

### How do I get my 20 minutes?

- ✚ Read during snack time,
- ✚ Keep a few books in the car,
- ✚ Make a set time to read aloud to your child and to have them read to you,
- ✚ Add reading into transitions - reading while you cook dinner or finish getting ready to leave,
- ✚ Read everything! Signs, food boxes, magazines, etc,
- ✚ Keep books by the bed,
- ✚ Have a set time for your child to read quietly to themselves,
- ✚ Play reading games like hangman or word card memory,
- ✚ Read while you wait at a restaurant or doctor's office,
- ✚ Listen to stories online,
- ✚ Use reading Eggs at home.

### SPELLING HOMEWORK

As we move from remote learning back to the classroom, we would like to remind families of the need to practise spelling at home each week. Your child has 6 spelling words which are chosen for them based on their Oxford spelling tests. Please ensure that your child practises these words at home throughout the week using the spelling practise grid in their book. Your child's homework book should be kept in their reader bag so that it can be used in class throughout the week and practised at home in the lead up to their weekly spelling test on Friday.

### DRINK BOTTLES

Please ensure that your child brings a drink bottle to school each day as we do not have any bubble taps on site at the moment.

### SCHOOL UNIFORMS

With the cold weather well and truly set in we would like to remind parents and carers to clearly label school jumpers so that they can be returned to your child if they are misplaced during the day.

We would like to remind you too that all children are required to wear full school uniforms of either a school dress or black pants, a black or gold t-shirt / long sleeve shirt and a black jumper with the school logo or a plain black jumper without any embellishments. Please do not send your child to school with jumpers that are not part of our school uniform. Thank you.

### STUDENTS OF THE WEEK

For displaying the School Value of 'Responsibility' by quickly getting organised at the beginning and end of lessons:

JR *Tyler W*  
JC *Scarlett N*  
*Catherine & Rhys*

## MIDDLE UNIT NEWS

### WELCOME BACK

We would like to welcome back all the students to school. It was great to see all the excited students on Tuesday morning ready to get back to class and start their face to face learning. The teachers would also like to thank everyone for returning their workbooks.

### WEEK 10

Next week in Reading, students will continue to focus on figurative language and how it is used in a variety of texts. In Mathematics, we will be revising the process of multiplication. This will include the times tables, vertical problems-with and without renaming and multiplication strategies.

### DRINK BOTTLE

Just a reminder for all students to bring a drink bottle to school every day.

### STUDENTS OF THE WEEK

For a great return to school and a positive attitude towards learning:

MD *Noah P*  
MR *Taya K*  
MW *Jarrold M*

### REMOTE LEARNERS:

**MW: Sonny D, Sienna H, Chloe V & Harry S**

**Renaë, Sandra, Wendy & Dean**

## SENIOR UNIT NEWS

### WELCOME BACK

We were so pleased to welcome back the Senior Unit students this week, it was so nice to see all of their cheerful faces, they transitioned back into the classroom very well and should be very proud of themselves.

### HOMEWORK

There will be no Senior Unit homework for the rest of this term.

### FRIDAY ROTATIONS

The Senior Unit will not be recommencing rotations until next term.

### SWIMMING AND GYM PROGRAM

Unfortunately our swimming and gym programs will not be rescheduled this year. The office staff are in the process of refunding the payments for swimming. Thank you for your understanding.

### WATER BOTTLE

Just a reminder for all students to please bring along their own water bottles. Unfortunately the bubble taps have been turned off as requested from the Department of Education, which means that all students are now required to bring to school their own water bottles.

### GOOD HYGIENE

Although we have hand sanitiser and soap available for all students and are practising good hand washing hygiene at school, if your child would feel more comfortable having their own hand sanitiser to use we are encouraging and welcoming this in the classroom. If your child does bring along their own hand sanitiser please ensure it is clearly labelled.

### YEAR 7 ATHLETE DEVELOPMENT PROGRAM (ADP) APPLICATIONS NOW OPEN

Information on this program was emailed out to all Year 6 families. Applications close July 31, 2020. If you didn't receive it, please let Janet know and she can send it again, or visit the following website:

## PARENTS & FRIENDS NEWS

### ELMORE BAKERY PIE DRIVE

Thank you to everyone that put their pie drive orders in on Tuesday 9<sup>th</sup> June we really appreciate all your support with this drive again this year. As you all know we had to make a few changes to the way we ordered and made payments, but we hope next year we will be back to the old way of running this drive.

Our collection day for the pies is Thursday, 18<sup>th</sup> June from 2:30pm – 3.30pm in the multipurpose room. I will let you know further details next week for collection day as we still may have some restrictions due to coronavirus. Looking forward to seeing you all there to pick up your orders.

## **OSHC/CCS NEWS**

Dear Families,

If you received Child Care Subsidy (CCS) for 2019-20, you must confirm your income with Centrelink. This includes CCS paid directly to you and CCS paid on your behalf to a child care provider.

Most parents have already confirmed their income, but if you haven't, you need to do it now.

If you don't confirm your 2020-21 income by 30 June 2020, your CCS will stop from 13 July 2020.

To confirm your income with Centrelink, you and your partner need to either:

- lodge your tax returns with the Australian Taxation Office (ATO)
- complete an 'Advise non-lodgement of tax return' with Centrelink, if you don't need to lodge a tax return.

You complete the 'Advise non-lodgement of tax return' in your Centrelink online account, through myGov or your Express Plus Centrelink mobile app.

If you've already confirmed your family income for 2020-21, there's nothing else you need to do.

Find out more about Child Care Subsidy on the Services Australia website:

<https://www.servicesaustralia.gov.au/individuals/services/centrelink/child-care-subsidy>

## **GUITAR LESSONS WITH LEIGH**

## **COMMUNITY NEWS**

### **National Burns Awareness Month – Free Burns eLearning**

National Burns Awareness Month aims to promote awareness of burns prevention and correct first aid treatment.

According to the Royal Children's Hospital Melbourne, burns and scalds are a leading cause of injury amongst young children, with toddlers most at risk.

In support of National Burns Awareness Month, we're giving away up to 200 Burns eLearning courses for FREE to parents and carers of children.

This program has been generously supported by Kidsafe Australia as part of National Burns Awareness Month.

Parents and carers must apply to be eligible.

Applications close Friday 26 June

To apply, go to the following website:

[https://www.stjohnvic.com.au/for-individuals-families/burns-month-free-elearning/?utm\\_source=pardot&utm\\_medium=email&utm\\_campaign=eDMBurns](https://www.stjohnvic.com.au/for-individuals-families/burns-month-free-elearning/?utm_source=pardot&utm_medium=email&utm_campaign=eDMBurns)

### **The St John Burn eLearning course**

The St John Burn eLearning course is a 20 minute short course designed to teach you the correct first aid techniques for a range of common household burns.

The course uses engaging video based content with quizzes to cement your learning. Successful students receive a certificate of completion at the end of the course.

*Please note that the St John Burn eLearning course is not a nationally accredited first aid course and does not provide students with nationally recognised accreditation.*
