Bricks 4 Kidz Incursion - FS & JU

17/9/20

Dear Parent/Carer,

On Monday, 12th October, each class in the First Steps and Junior Unit will participate in a 1 hour session to explore concepts around How Things Move. Each Bricks4Kidz[®] workshop uses the LEGO[®] Bricks students love, to deliver hands-on lessons. Children will learn about how motors and TECHNIC[®] LEGO bricks can be used to create movement. These materials bring educational concepts to life, as students build a moving model exclusively designed by Bricks4Kidz[®].

The cost will be \$7.10 per child and includes the class instruction and the use of all of materials for building a moving model.

Please complete, detach and return the permission form below by Friday 9th October.
