

Dear Parents/Guardians,

As of Monday, 30th November, restrictions around schools will ease.

This will mean as of Monday:

1. There is no staggered dismissal. All children will be dismissed at 3:15pm,
2. The Ravenswood bus will return to normal departure and drop off times,
3. Parents and guardians do not have to stay off site, but must wear a fitted face mask when indoors. It will be nice to welcome adults back into the grounds after such a long time!
4. Bubble taps can be used. Drink bottles are still encouraged however,
5. When waiting outside school grounds at pick up times please social distance and if this is difficult, wear a face mask as a precaution,
6. Groups of children at our school can be mixed – rather than having to stay in class bubbles,
7. Parents and guardians can again assist with reading, excursions etc,
8. Meetings can occur on site or via Webex if preferred.

Some things remain unchanged such as: Hand sanitising and washing will continue.

Children and parents also need to stay off site if presenting with flu like symptoms.

Staff and adults indoors will need to ensure they are wearing a fitted face mask - unless involved in direct teaching/support.

Have a wonderful weekend,

Matt Pearce
Principal
