

REMOTE AND FACE-TO-FACE UPDATE 30.9.21

WEEK 1 is face-to-face for Prep & Year 1/2's, and remote learning continuing for Years 3-6, however we will still provide on site supervision for children of ESSENTIAL WORKERS and VULNERABLE CHILDREN. Bookings have already closed for Week 1.

WEEK 2 & 3 our Prep & Year 1/2's continue to be face-to-face every day, however, we will have our Year 3/4's face-to-face on Tuesday and Wednesday (remote learning Monday, Thursday and Friday) and our Year 5/6's face-to-face on Thursday and Friday (remote learning Monday, Tuesday and Wednesday). This is repeated for Week 3.

Week 2 and 3 – we are only accepting on site supervision bookings for children of essential workers where possible. Children that come on site for vulnerable reasons will already have 2 days of face-to-face learning, so the other 3 days are recommended to work from home. This is a requirement from the Chief Medical Advisor to try and limit the number of children on site by staggering days. Booking forms for Week 2 & 3 will be emailed out next Monday, 4th October and will be due back by Thursday, 7th October at 11am.

WEEK 4 will have our Prep & Year 1/2's continue to be face-to-face on the Monday, then all Year 3-6's returning on Tuesday, 26th October with the Prep & Year 1/2's and remaining at school each day until the end of the year – fingers crossed!
