

REMOTE LEARNING – 16TH-20TH JULY 2021

- **Friday, 16th, Monday, 19th & Tuesday, 20th July will be remote learning.** Teachers will send out work via Showbie, Dojo or email throughout the day tomorrow.
- On site supervision for children of essential workers OR those in *Out of Home Care* will be available – please email janet.dean@education.vic.gov.au to see if you are eligible to book in. Tomorrow is an ABSOLUTE need only day, whereas Monday and Tuesday are more flexible, as we will have more time to plan for staff to be on site. Please understand that bookings need to be made promptly, to ensure staffing rosters can be made. Staff are not on site in line with the Lockdown regulations, unless required to supervise the children of Essential Workers. Once you have emailed Janet, new forms will be provided to use. Old forms cannot be accepted sorry. Remember, if an adult is able to work at home and supervise children, children must work from home,
- *Out of School Hours Care* (OSHC) is available ONLY to those utilising the on site service. Please again make bookings through Janet Dean at janet.dean@education.vic.gov.au,
- While remote, all updates will be shared on our Facebook page, website and Flexischools app. Please watch these platforms carefully to stay abreast of any changes,
- No iPads will be available to borrow over the short remote learning period due to the snap lockdown occurring so quickly that iPads are not configured for home use,
- **Wednesday, 21st July** is our return to on site learning, unless the Lockdown is extended,
- The Ravenswood bus will continue to run its service for those requiring on site supervision, however, if no children use the service in the morning, it will not run in the afternoon,
- If you have wellbeing concerns or worries, please contact the school (5447 7022), or email Sharyn Burnett (Assistant Principal and Wellbeing Coordinator) Sharyn.Burnett@education.vic.gov.au, Cara Barnes (School Chaplain) Cara.Barnes@education.vic.gov.au,
- Remember – when working from home, children should spend no more than 2 hours (Prep – Year 2's) or 2 ½ hours (Year 3-6's) on tasks provided... which includes physical exercise / games / craft. If you have any questions about learning, your first port of call should be your child's teacher – so feel free to email them. Emails are listed on our website or can be provided via the Office or key staff listed in this update.

Stay safe everyone!

Regards,

Sharyn Burnett
Assistant Principal
