

## REMOTE LEARNING – 21<sup>ST</sup> – 27<sup>TH</sup> JULY 2021

- **Remote learning has been extended until Tuesday, 27<sup>th</sup> July.** Teachers will send out work as they have been doing in the same format used for this Lockdown.
- On site supervision for children of essential workers OR those in *Out of Home Care* will still be available – please email [janet.dean@education.vic.gov.au](mailto:janet.dean@education.vic.gov.au). **IF YOU HAVE ALREADY ATTENDED ON SITE THIS LOCKDOWN, YOU DO NOT NEED TO COMPLETE ANOTHER FORM**, please just email Janet the days you require on site supervision. If you haven't attended on site this lockdown, please email Janet, and an on site booking form will be emailed to you. **BOOKINGS MUST BE MADE TO JANET BY 4PM TUESDAY, 20<sup>TH</sup> JULY.**
- There has been an expansion of the criteria for accessing on-site supervision.... students with a disability in both mainstream and special schools for whose parents and carers form an opinion that student can't learn at home is able to access on site learning.
- Staff are not on site in line with the Lockdown regulations, unless required to supervise the children of Essential Workers. Remember, if an adult is able to work at home and supervise children, children must work from home,
- *Out of School Hours Care* (OSHC) is available ONLY to those utilising the on site service. Please again make bookings through Janet Dean at [janet.dean@education.vic.gov.au](mailto:janet.dean@education.vic.gov.au),
- While remote, all updates will be shared on our Facebook page, website and Flexischools app. Please watch these platforms carefully to stay abreast of any changes,
- No iPads will be available to borrow over the short remote learning period due to the snap lockdown occurring so quickly that iPads are not configured for home use,
- **Wednesday, 28<sup>th</sup> July** is our return to on site learning, unless the Lockdown is again extended,
- The Ravenswood bus will continue to run its service for those requiring on site supervision, however, if no children use the service in the morning, it will not run in the afternoon,
- If you have wellbeing concerns or worries, please contact the school (5447 7022), or email Sharyn Burnett (Assistant Principal and Wellbeing Coordinator) [Sharyn.Burnett@education.vic.gov.au](mailto:Sharyn.Burnett@education.vic.gov.au), Cara Barnes (School Chaplain) [Cara.Barnes@education.vic.gov.au](mailto:Cara.Barnes@education.vic.gov.au),
- Remember – when working from home, children should spend no more than 2 hours (Prep – Year 2's) or 2 ½ hours (Year 3-6's) on tasks provided... which includes physical exercise / games / craft. If you have any questions about learning, your first port of call should be your child's teacher – so feel free to email them. Emails are listed on our website or can be provided via the Office or key staff listed in this update.

Stay safe everyone!

Regards,

Sharyn Burnett  
Assistant Principal
