

Student Engagement and Wellbeing Policy 2022

PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students,
- (b) expectations for positive student behaviour,
- (c) support available to students and families,
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Big Hill PS is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

1. School Profile

Big Hill PS is situated on the Calder Highway on the southern fringe of Bendigo. The school has attractive and spacious surrounds (including an adjoining flora and fauna reserve) and purpose-built play areas: synthetic sports field, a variety of undercover areas, junior playground (Prep and Year 1 only), a large adventure playground and also a rope climbing spire.

Big Hill PS enjoys working with a large number of Koorie families, cultural backgrounds (e.g. Karen and Asian) and diverse family structure – all of whom add to a very supportive and inclusive culture at the school. Our SFOE is currently 0.4508, dropping just slightly in the last twelve months. As our SFOE is low-mid, we have a real mix of families with different socio-economic backgrounds, including a growing number of students funded as “disadvantaged” and attracting equity funding as a result. In the last 3 years, the school has continued to attract students funded under the Program for Students with Disabilities (PSD) as well as substantial

students who have not attracted funding, but have challenging behaviours as a result of learning disorders. As a result of this change, staff have continued to undertake training to ensure classroom and school programs are inclusive. In addition to this, the school has also had to fund additional staff to ensure children were included, but the school remained safe.

Our community really is the school. Big Hill, whilst being a suburb of Bendigo, does not have a general store, post office, sporting club, community hall etc. In addition to this, the school draws from a large area, with several families travelling up to school from Ravenswood (10km to the South), rural areas of Big Hill (eg: Belvoir Park Road), from multiple housing developments in Big Hill and Kangaroo Flat South and from across Bendigo, though this is gradually dropping off now due to the FIND MY SCHOOL zoning across Greater Bendigo. Due to the nature of our geographical area outlined, the school is the hub of the community, so engaging families with detailed newsletters, active Facebook Pages (school and Parents and Friends), community events, weekly assemblies, with award presentations are important community events. We believe we do this well, but strive to continually improve and build stronger links. Sadly, the last two years were a little different though - with COVID-19 creating history with State-wide lockdowns due to the pandemic...old ways of connecting face to face were not possible so other forms of communication became more important than previously...particularly those embedded in the digital world. The use of Facebook, our Website, DoJo, Showbie, Webex, FaceTime and phone calls became the norm. To connect, staff, students and families had to use any digital form available to keep learning as rich as possible.

Our school's vision is: **TOGETHER WE SUPPORT A COLLABORATIVE LEARNING COMMUNITY THAT ENCOURAGES HONESTY, LEADERSHIP, TEAMWORK, CREATIVITY AND KINDNESS.** As part of our school culture, all students work within our 3 core school Values: Be Respectful, Be Responsible and Be Safe. At Big Hill PS, we want not only academically skilled individuals, but well-balanced, resilient and social students ready for any challenge life presents them.

Whilst so much of our last two years were spent in and out of **REMOTE AND FLEXIBLE LEARNING**, we continued to have a relentless focus on Mathematics and English. In addition to Mathematics and English, our focus on learning Chinese, exploring The Arts (Music and Visual) and the importance of Physical Education were delivered weekly. Big Hill PS is proud of its rich Arts program, so having delivered music and visual art remotely and successfully was a real highlight of the year... in addition to the excellent Literacy and Numeracy delivered in the face of trying times.

Big Hill PS is also a **SCHOOL WIDE POSITIVE BEHAVIOUR SUPPORT (SWPBS)** school, with Tier 1 now embedded in our community and multiple elements of Tier 2 in place also. Our Values are well-known and referred to daily, whilst all children, staff and parents are aware of our behavioural expectations – positively stated in our Expectations Matrix. Positive behaviour is rewarded with Big Rewards, whilst inappropriate behaviour is managed with our Behaviour Management Flow Chart. This, generally, ensures support for our management of behaviours and is supported by our children rating our management of bullying favourably (no data for 2020, however Parents rated high). We also introduced **THE RESILIENCE PROJECT** in 2020 and have all students accessing the resources provided from this great wellbeing program.

5. Identifying students in need of support

Big Hill PS is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies that help identify students in need of support and enhance student wellbeing. Big Hill PS will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- personal, health and learning information gathered upon enrolment and while the student is enrolled,
- attendance records,
- academic performance,
- observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation,
- attendance, detention and suspension data,
- engagement with families.

6. Rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education,
- feel safe, secure and happy at school,
- learn in an environment free from bullying, harassment, violence, discrimination or intimidation,
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program,
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community,
- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team.

7. Student behavioural expectations

Student Engagement and Wellbeing Policy 2022

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Example School's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Example School will institute a staged response, consistent with the Department's Student Engagement and Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate,
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour,
- withdrawal of privileges,
- referral to the Year Level Coordinator,
- restorative practices,
- detentions,
- behaviour support and intervention meetings,
- suspension,
- expulsion.

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

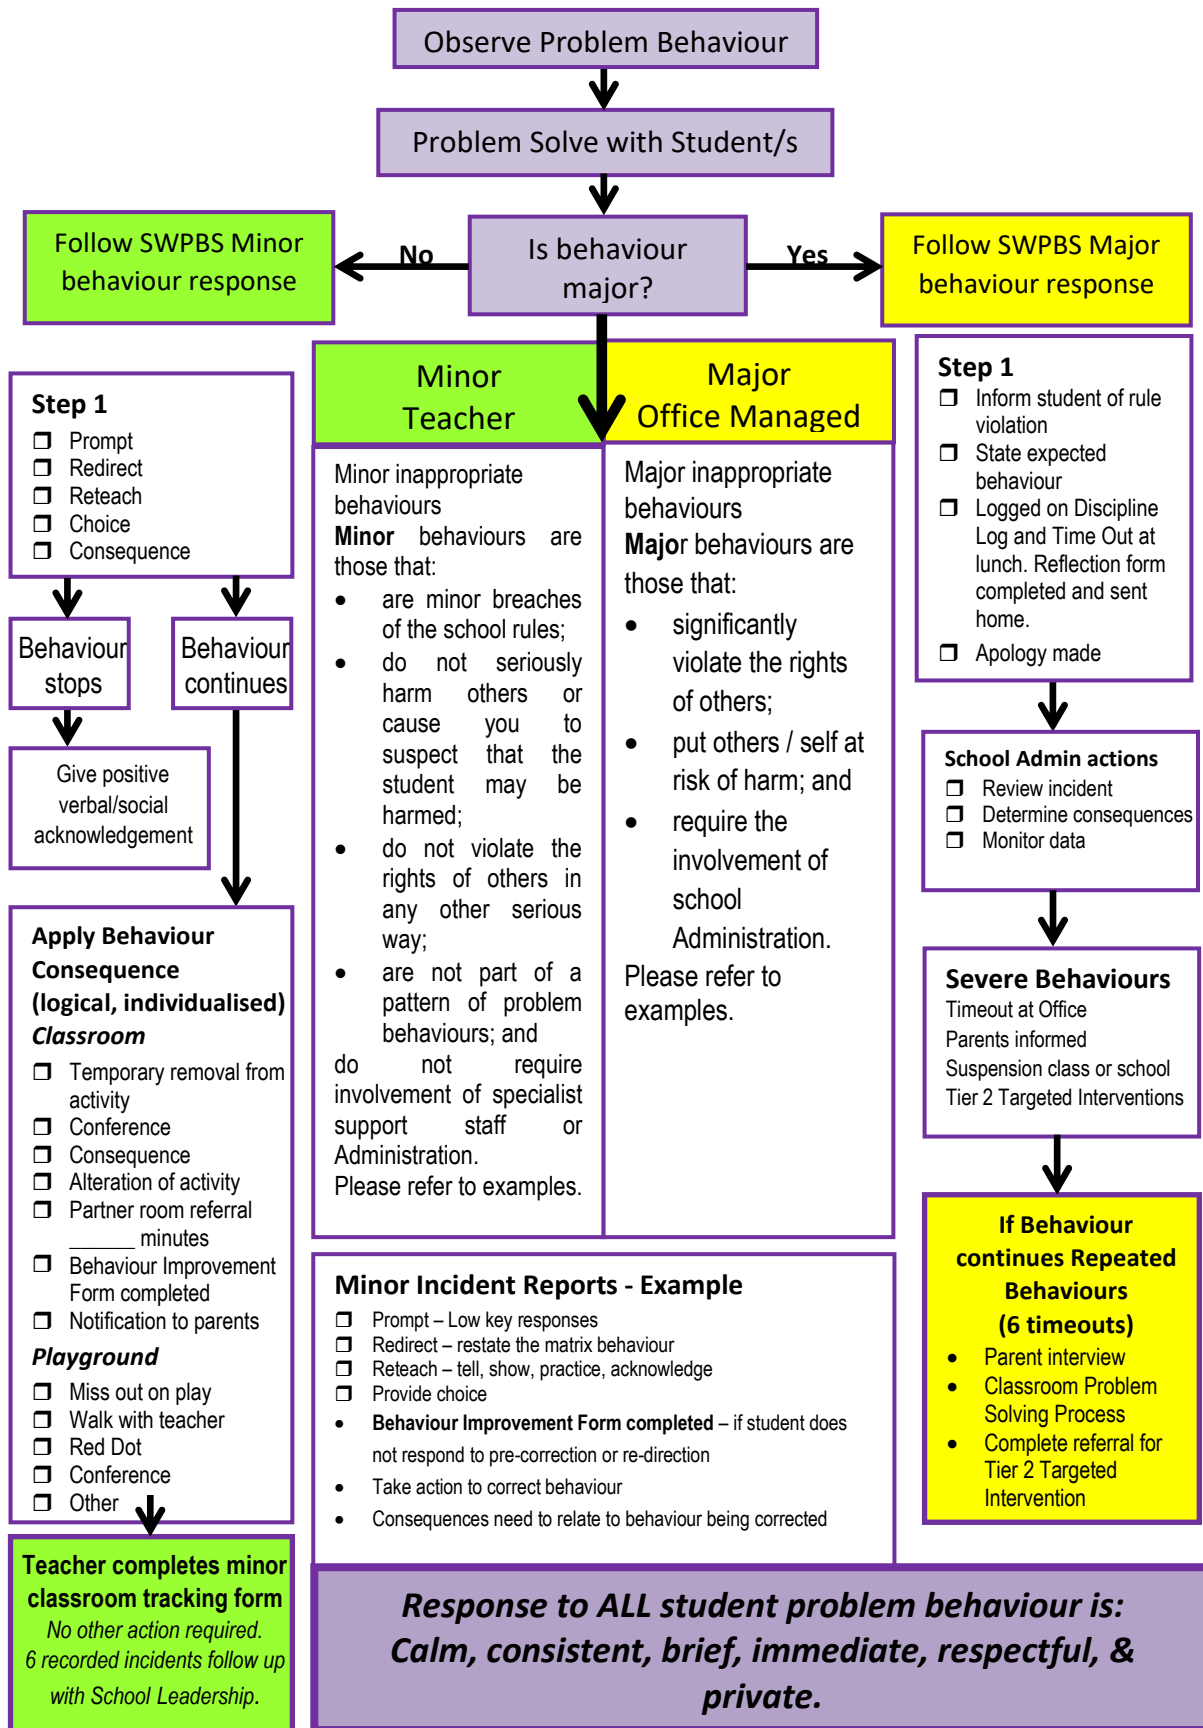

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>
- <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education and Training.

The Principal of Big Hill PS is responsible for ensuring all suspensions and expulsions are recorded on CASES21.

Corporal punishment is prohibited in our school and will not be used in any circumstance.

- maintaining an open, respectful line of communication between parents and staff, supported by our communicating with School Staff Policy,
- providing parent volunteer opportunities so that families can contribute to school activities,

Regular evaluation processes will be in place to measure performance in all areas of the school with respect to the implementation of the vision and Values of the school.

9. Evaluation

Big Hill PS will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school-based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data,
- incidents data,
- school reports,
- parent survey,
- case management,
