

UPDATE ON REMOTE LEARNING & RETURN TO FACE-TO-FACE LEARNING FOR PREP - YEAR 2 AT BIG HILL PS

At this stage we are waiting for more details, however, we do know that our Prep to Year 2 students will be able to return to face-to-face learning this Friday, 10th September. Please return all learning materials to school when your child attends.

Year 3-6 students remain on Remote Learning until the end of term. This includes Year 3 students that are in our Year 2/3 composite class (Wendy's). Children in Years 3-6 will continue to be taught by their teachers remotely during the last week of term as has been the case over the last few weeks.

The direction from the Government is clear – all Year 3-6 students are to work from home. On site supervision for students whose parents have provided worker permits, or for students who have been deemed vulnerable, can continue to work on site, but will still need to complete a booking form for next week to access supervision.

Vulnerable students can attend on site supervision from 9:00am – 1:30pm only. Children of parents with worker permits may attend all day, if necessary.

No new positions to on site supervision are available.

Our OSHC service will run this Friday and next week as normal for Prep to Year 2 students, and for those booked into the on site supervision service. Bookings for both need to be made to Janet via email, just to confirm, especially those families who have some children returning to face-to-face and some children still on Remote Learning within the same family: janet.dean@education.vic.gov.au. Thank you.

Restrictions remain in place for adults attending on site. Please only come on site if absolutely necessary, wear a face mask, hand sanitise and social distance, and check in using the QR code on the Office door.

Any child or adult who has any covid like symptoms are not permitted to attend on site supervision or come on site.

Looking forward to seeing our Preps and Year 1/2 students return to school on Friday 😊

Regards,

Matt Pearce

Principal
