

UPDATE – HEAVY RAINFALL, FLASH FLOODING

As you can appreciate, it's very wet out today and driving conditions are not the best. Lots of reports are coming through of road closures etc. however, for us at Big Hill, we are accessible, being that we are elevated and along a stretch of road that has to this point, remained open and hopefully continues to be! If you are concerned about being cut off from the school to collect your child due to your location/address, then it is your choice if you need to collect them early. Do what is best for your family to be safe. For the majority of us, school will continue despite the rain. As we approach the end of the day, I request all pick-ups from McInnes St, as the front of the school (drain along the highway) is flooded. We will not be allowing student to exit from the lower gate due to safety reasons and where possible, Kangaroo Flat bus travellers will be escorted to the bus via a safe route. Again – please be safe on the roads and be patient with others as you traverse in wet conditions.

Take care

Matt Pearce
Principal

Students, staff and families of the **BIG HILL PRIMARY SCHOOL** Community acknowledge that we work together on Dja Dja Wurrung Country today; land that the Jaara Jaara People and their ancestors have been custodians of for thousands of years.
